City Council Meeting Department Head Reports January 3, 2022

Police Department Report

- On December 29, 2021, I was notified by the Department of Justice that the department was not selected for the "Small, Rural & Tribal" (SRT) body camera program. The DOJ did advise that the department was put on a "wait list" if additional funding became available.
- 2. I was able to purchase 4 body cameras from Martel Electronics. I had enough funds in my budget from budget year 2021 to purchase the cameras. Total cost = \$2,000.00.
- 3. The department participated in the Highway Safety "December Mobilization." The mobilization period went from December 15 to January 1.

Street Department Report

- 1. We have been busy pushing up gravel, pea rock, base course, & %" clean rock.
- 2. David cut insulation boards to cover up the vents at the park bathrooms then later, when the real cold was threatening, we winterized them.
- We had swept streets throughout the fall. With all the big winds, most of the time we are done by mid-November.
- 4. We winterized the street sweeper, UTV sprayer, ATV sprayer, & water tank.
- 5. We fixed a front fender issue on the John Deere blade. A cast iron ear broke off, so we had to tear it apart to weld it.
- 6. We were going to put 4 new tires on the John Deere blade and move the 2 best to the front, however they had pretty good cuts on them, so I chose to put on all new tires, because of the weight of the front plow's weight.
- 7. We have been trying to get a heater core (fixed or replaced) on the water truck.
- 8. David and I cut some tree branches above the sidewalk along E. 3rd St.
- 9. David has built a wind breaker for the loader basket.
- 1.0. We cut a few trees in boulevards with the help of the Electric and Water Departments.
- 11. Bob Steers and I drove along the sidewalk that we talked about in December. Bob said he would contact the owners where there were issues.

Water/Sewer/Airport Department Report

- 1. We've been busy with inventory.
- 2. Restrooms at the park recently winterized.
- 3. Working in the shop.
- 4. Work orders, meter books, locates.

Electric Department Report

- 1. Retirement of old overhead electrical system.
- 2. Some readouts.
- Clean, organize all equipment and tools.
- 4. Zach and I went to Marshall, MN for transformer school for a week.
- 5. Studding NWLC when really cold outside.
- 6. Fixed and installed several streetlights.

Finance Office Report

- 1. Final 2021 Sales Tax is up see attachment
- 2. City Election April 12, 2022 Council members' terms expiring are:
 - a. Ward 1 Bob Steers b. Ward 2 Tammy Lichty c. Ward 3 Tony Rangel The earliest a petition may be circulated is January 28, and the deadline is February 25.
- 3. All funds look good for the end of the year. I will give a detailed overview of 2021 financials at the next meeting.
