CITY OF MILLER CITY COUNCIL MEETING AUGUST 7, 2023

The City of Miller is an equal opportunity employer.

The City Council met in regular session at city hall on Monday, August 7, 2023, at 7:00 p.m.

<u>MEMBERS PRESENT</u>: Mayor Tom McGough, Aldermen: Dale Hargens, Will Jones, Patrick Price, and Mike Wetz and Alderwomen: Susan Hargens and Tammy Lichty.

<u>CALL TO ORDER</u>: Mayor McGough called the meeting to order. Pledge of Allegiance was said by all present.

AGENDA: Motion by Alderwoman Hargens, seconded by Alderman Price to approve the agenda. All members voted aye. Motion carried.

<u>MINUTES</u>: Motion by Alderman Hargens, seconded by Alderman Wetz to approve the minutes for the regular meeting held on July 17, 2023. All members voted aye. Motion carried.

Public Input: Dave Nelson presented the council with photos of a hole next to the storm sewer inlet in the ditch next to his property along East 5th Ave. Ron Hoftiezer, street superintendent, stated that the hole has been fixed. Mayor McGough and Hoftiezer drove around town looking at other inlets. Flat lids have been ordered to allow mowing over the inlets.

Department Head Reports: Ron Hoftiezer, street superintendent, stated that he has spoken to an individual regarding the grass at 2 of his properties. It was supposed to be mowed this weekend, but we had 3" of rain. Wednesday at noon will be the new deadline, at that time the city will mow the property if it is not completed. Neighbors have attempted to remove some of the overgrowth on one of these properties. Mayor McGough asked that all employees and board members report to Hoftiezer any properties in need of maintenance. Alderman Price read from the Municipal Code that it is the responsibility of the police department to notify property owners of lawn nuisance violations. Historically, the police chief has contacted Hoftiezer, and he has contacted property owners with a deadline to bring the property back into compliance before the city does at a minimum of \$200.00. Hoftiezer stated that there has been at least one mosquito verified with West Nile in Hand County. Mayor McGough commented on the FAA & DOT meeting held in Pierre and asked airport manager, Terry Manning, how many planes Miller has at the airport. Manning stated a minimum of 8 aircraft must be registered at the Miller airport to qualify for FAA funding. We would prefer 10 or more. Sheila Coss, finance officer, stated that department heads need to keep a close eye on their 2023 budgets and that any supplementing must be done prior to overspending the budget. 2024 budget worksheets will be handed out in September to be returned by early October after reviewing them with the appropriate committees.
